**H**IS Excellency the Governor-General is pleased to order that the Regulations governing the granting of yearly licences and permits to cut timber on Dominion Lands in the Provinces of Manitoba, Saskatchewan and Alberta, the North-West Territories and portions of the Province of British Columbia, established by Order in Council of the 19th December, 1907, shall be and the same is hereby so amended as to provide for the issue of permits in the Railway Belt, in the Province of British Columbia, to cut fire-killed timber for the manufacture of lumber, cordwood, telegraph poles, ties and fence posts, on payment of dues at the rates prescribed in Section 42 of the Regulations referred to.

RODOLPHE BOUDREAU,

se17

*Clerk of the Privy Council.*

[Ref. 26,934.]

AT THE GOVERNMENT HOUSE AT OTTAWA

Monday, the 3rd day of August, 1908.

PRESENT:

HIS EXCELLENCY THE GOVERNOR-GENERAL IN COUNCIL.

**W**HEREAS the licences granted for timber berths under the timber regulations provide that the licence shall be subject to the right of the Crown to deal, in accordance with the provisions of the Dominion Lands Act and the regulations made under it by the Governor-General in Council, with any and all coal, stone and other minerals found within the limits of the berth licensed, and to grant the right to enter upon the berth and take possession of lands for mining purposes;

And whereas representations have been made by the holders of timber licences that the granting of such rights may, if not carefully safeguarded, endanger the timber on the berth by fire,—

Therefore His Excellency the Governor-General in Council is pleased to order, and it is hereby ordered, that any permit or lease granted under the regulations relating to mining which affects lands within the limits of a timber berth be subject to the following conditions:—

(1.) That the permittee or lessee will observe all the provisions of any Act of the Dominion or of any Province for the protection of forests from fire which is in force in the district in which the lands are situated and will use every effort to prevent the starting or spread of fire from his operations:

(2.) That he will do no unnecessary damage to timber and that where any trees are cut by him he will carefully clear the ground of all tops and branches and other debris of such cutting and will so dispose of them as to prevent danger from fire. AT THE GOVERNMENT HOUSE AT OTTAWA.

Monday, the 3rd day of August, 1908.

PRESENT:

HIS EXCELLENCY THE GOVERNOR-GENERAL IN COUNCIL.

**W**HEREAS the licences granted for timber berths, under the timber regulations, provide that the licence shall be subject to the right of the Crown to deal, in accordance with the provisions of the Dominion Lands Act and the regulations made under it by the Governor-General in Council with any and all coal, stone and other minerals found within the limits of the berth licensed, and to grant the right to enter upon the berth and take possession of lands for mining purposes;

And whereas representations have been made by the holders of timber licences that the granting of such rights may, if not carefully safeguarded, endanger the timber on the berth by fire,—

Therefore, His Excellency the Governor-General in Council is pleased to order, and it is hereby ordered, that any permit or lease granted under the regulations relating to mining, which affects lands within the limits of a timber berth, be subject to the following conditions:—

(1.) That the permittee or lessee will observe all the provisions of any Act of the Dominion, or of any Province, for the protection of forests from fire which is in force in the district in which the lands are situated and will use every effort to pre-

vent the starting or spread of fire from its operations.

(2.) That he will do no unnecessary damage to timber and that where any trees are cut by him he will carefully clear the ground of all tops and branches and other debris of such cutting, and will so dispose of them as to prevent danger from fire. If it is necessary to burn such debris in order to so dispose of it the lessee shall select a time when there is least danger of the spread of fire, shall carefully gather such debris into heaps, shall thoroughly clear and prepare as a fire guard, either by saturating it with water, breaking up the surface thereof or other effective means, a strip of at least twenty feet in width around each heap, and shall during the whole period of the continuance of such fire, cause it to be guarded by three adult persons provided with proper appliances for extinguishing fire.

(3.) That he shall clear and shall at all times keep clear of inflammable material a space of at least sixty feet in width surrounding his works and operations.

(4.) That any engine operated by the power of steam used by him in connection with his works or operations shall be fitted with efficient spark arresters which shall at all times be kept in a good state of repair.

(5.) That he will ensure that the provisions of such Acts for the protection of forests from fires as are in force in the district and the conditions of his lease or permit in relation to the prevention of fires shall be read over and explained to all the men employed by him in connection with his works or operations within the limits of the timber berth, and that he will be responsible for any breach of the said provisions or conditions committed by any of his employees as if such breach had been committed by himself, unless he establishes that the provisions of this clause have been complied with and that such breach was committed without his knowledge and contrary to his instructions.

(6.) That for the due observance of the conditions mentioned the lessee or permittee shall be bound in such sum as may be fixed by the Minister of the Interior, which sum shall be payable to the said Minister of the Interior in case of any breach of such conditions being committed by him.
